Join the Tel Dor Project expanding family and help us salvage the cultural heritage of Israel and the Mediterranean

- * Excavate with us in our 2010 (30th!) excavation season, July 5 - August 12 (and earn academic credits through one of the participating institutions in Israel and the United States).
- * Organize a group (academic or non-academic) to join the excavation.
- * Support the Tel Dor Museum and the Alexander gemstone display.
- * Or just help support the excavation, our scientific activities, and the Tel Dor students.
